Sept 2013

Dear Parent(s)/Carers,

As you are aware, we have our very own 'Pets Corner' at school and we are keen for the children to help look after them.

We hope to use Pets Corner within the curriculum, allowing the children the opportunity to take part in activities outside of the classroom whilst learning about animals. We will be looking to develop a whole number of other activities, ranging from literacy and numeracy, through to art and science.

We are therefore asking all parents to sign the permission slip to allow each child to work with and handle the animals during the school day. The children will be supervised by an adult when they are working in this area.

Yours sincerely

Gareth Nelmes
