## Year 1/2

### Space Centre

15th September 2021

Dear Parents,

All of the children in Year 1 and Year 2 have been thoroughly engaged in the start of our first topic of the year 'Outer Space'. To enhance this topic further, we are off on an exciting adventure to the Space Centre! This trip will take place on Thursday 30th September 2021. The children will have an opportunity to visit the planetarium and explore the different areas of the space centre.

On the day, the children should be dropped off and collected from school at the usual time. The children should come to school in their usual school uniform. The children should bring a packed lunch and a drink that they can carry themselves. No other bags are needed. The children are not permitted to bring any money.

The cost for the trip, including the cost of the coach and entry fee is £12.20 per child, please make payment via our ARBOR payment system.

We are sure that all of the children will be truly inspired by this trip and we hope the children are just as excited as the teachers are!

If you have any questions or queries, please speak to your child's class teacher.

Thank you,

Miss Garratt and Mrs Mitchell.
