Phonics Workshop

Friday 1st October 2021

Dear Parents,

Throughout your child's time in Key Stage 1 (Foundation Stage to Year 2), they will be taught a daily phonics session which supports their progression with reading and writing. It is such a key part of what we do in Key Stage 1 but we are aware that many parents weren't taught to read and write using this approach.

Therefore, we are holding our Phonics Workshop on **Thursday 7th October at 15:30** - open to all parents for children in EYFS, year 1 and 2. Children are more than welcome to attend too, and we will have an additional classroom set up for them with a member of staff to support, whilst you attend the workshop.

This workshop aims to support parents with home reading, give a brief insight into how we teach your child and build a cohesive approach between home and school. For parents with children in Year 1, the workshops will also aim to provide information on the phonics screening test which the children sit at the end of the year.

Please could you complete the attached MS Forms to confirm your attendance to the session.

We look forward to seeing you there

The Key Stage 1 Team
