

# Shark Family Rhyming Words

## Game Instructions

**Help feed some hungry sharks by playing this fun counting game. Suitable for up to 5 players.**

- Begin by reading the rhymes shown on the game boards. There are 5 different areas of the sea – each waiting for a shark family to return home!
- Next, pick a shark card and read the word shown. Listen carefully to the end of the word.
- Place the shark card onto the board showing the same rhyme at the end of the word.
- Continue reading the words shown on the shark cards and sort them into family sets on the boards.
- When all of the sharks have been sorted into their family groups, can you read all of the words in each family? Which shark is your favourite? Can you read all of the words shown on your favourite shark?
- The sharks can then swim away to go hunting – ready to be sorted back into their family groups again!
