Year 6 Homework

January 2022

Dear parents,

From the week beginning **Monday 24th January**, the children in year 6 will be set a small amount of homework each week. The aim of this is to extend children's learning and consolidate and reinforce their skills and understanding, particularly in maths, English and reading. I also hope this will develop children's confidence and self-discipline so that they may study independently, preparing them for their transition into secondary schooling and lifelong learning.

Homework will be set on a Monday and expected to be brought in the following Monday, allowing a full week to complete it. Of course, I understand that things happen and some weeks can be very busy! If your child is having any issues completing it, please just get in touch. My email is: rsmith@gaddesby.bepschools.org

Homework will rotate between maths, reading, grammar and writing tasks. Children will be sent home revision guides and workbooks to use and I will direct them as to which pages and tasks should be completed each week. Your support with this at home would be very much appreciated.

Thank you so much for your on-going support.

Yours sincerely,

Miss Smith.
