

Democracy

- Children are involved in democratic processes e.g. voting for school councillors, voting for activities
- Children have the opportunity to have their voices heard and to listen to others views
- Children are given opportunities to debate topics which make meaningful contributions to the school

Rule of Law

- We have a consistent and clear behaviour policy which all stakeholders understand and follow
- Our school values are displayed in school and linked to learning
- Assemblies embed the importance of rules and the consequences of breaking these
- Assemblies regularly deliver national events and current issues
- Links with Local Authority such as Police and Fire service
- Promoting children's rights within school. Gaddesby is linked with UNICEF and is a Rights Respecting School

British Values Statement Gaddesby Primary School

At Gaddesby Primary School we take our responsibility to prepare children for life in modern Britain very seriously. We value the ethnic backgrounds of all pupils and families and celebrate this.

We ensure that the fundamental British Values are introduced, discussed, developed and embraced throughout school. Our curriculum provides excellent opportunities to develop and deepen children's spiritual, moral, social and cultural education.

We encourage our children to be independent individuals, showing respect for both themselves and others with the aim of helping them grow into caring, responsible and tolerant adults who make a positive difference to British society and the world.

Tolerance of those with different faiths and beliefs

- Our RE curriculum provides a broad and balanced education on a range of faiths, religions and cultures
- Assemblies throughout the year focus on different faiths and festivals
- Similarities and differences are explored and celebrated through our PSHE curriculum
- We have a range of books available in our library that celebrate difference and diversity as well as a wide range of cultures
- Themed enrichment days celebrated as a whole school support our increasingly diverse community

Individual Liberty

- Pupils have key roles across school e.g. school council, Buddies, Year 6 leaders
- Children are taught about their rights as citizens, in assemblies and through our e-safety, PSHE and RSE curriculums
- The aims, ethos and vision statement are embodied in all that we do in school
- Through the Rights Respecting Curriculum, children are taught that they have choices and encouraged to make those in a safe and supportive environment

Mutual Respect

- Our school rules promote respect for others and this is continued through whole school assemblies and awards
- Our PSHE curriculum embodies the values of mutual respect
- Through the Rights Respecting curriculum children learn that their behaviour affects their rights
- Links and visits are promoted with local faith communities and places of worship.
