Science Curriculum

2023 – 2024

EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Working Scientifically	Working Scientifically	Working Scientifically	Working Scientifically	Working Scientifically	Working Scientifically	Working Scientifically
Animals including humans	Animals including humans	Animals including humans	Animals including humans	Animals including humans	Animals including humans	Animals including humans
Living things and their habitats		Living things and their habitats		Living things and their habitats	Living things and their habitats	Living things and their habitats
Materials	Everyday Materials	Everyday Materials			Properties and changes of materials	
Plants	Plants	Plants	Plants	Plants	Plants	Plants
Seasonal Changes	Seasonal Changes					
			Forces and Magnets		Forces	
			Light			Light
			Rocks			
				Electricity		Electricity
				Sound		
				States of matter		
					Earth and Space	
						Evolution and Inheritance

Additions to the NC include:

- Wide knowledge of our local flora
- An understanding of recycling - the process and its importance.
- An understanding of our own bodies and how to keep them healthy.
- Demonstration of a range of experiment types linked to each topic.
- Understanding and curiosity for inventions and discoveries and those who create them. (KS2 important scientist link for each topic area)
